

Creating value and demonstrating Return on Investment through online assessment

We create ROI through online assessments

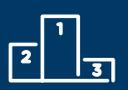

Reducing time, saving money and making better talent decisions. cut-e knows how to measure the return on your investment – and improve dramatically your bottom line results.

Achieved benefits

	<p>Identifying high performers 40% more likely</p>
	<p>High fit performers more likely to deliver 36 % Revenue increase 42 % Profit increase</p>
	<p>12% Sales increase</p>
	<p>Expected annual savings of €260,000 as part of graduate development programme</p>
	<p>Increased successful completion of apprenticeship training from 88% to 95%</p>

How do we do this?

We do this by combining our **assessment expertise**, our **talent process know-how** and our **technology capability**.

<p>Define measurable outcomes</p>	
<p>Understand what makes high performance – and assess for this</p>	
<p>Develop robust, ground-breaking, engaging assessment</p>	
<p>Enable time, money and resource savings through process efficiencies</p>	
<p>Practical experience with scores of ATS and HRIS partners</p>
